Review of 2006 meets

Elwood: no problems, 200 kids

Jets Invite: weather always a problem, tentative location at Lincoln East, currently a Sunday meet, 4 certified officials within the club, looking at safety issues for next year.

** If a meet is cancelled due to weather, there is no refund on entry money.

LYTC: well run meet, no major complaints, people liked the Saturday change

Striders: Best meet ever run, concessions was a little problem as the OPS person was late, results were awesome

Throws Festival: 70-80 kids, no problems

Jaguars: went well, a few kinks at the finish line, Paula Anderson will be handling more things at next years meet as Jan will be more in the administrative end

Geneva: smallest meet in years, no complaints noted

Pawnee City: numbers about the same

Combined Events: numbers very small, 2 age groups had no entries. Crete will not host this meet again- seeking a new location and meet director.

State JO: good numbers, weather good, officials core comes from parents- some complaints from other parents. ** All meets are run this way**

Bellevue- good numbers, rain as usual, volunteers good, 2007 East track is having work done- meet may be at Bellevue West

Indoor meet- we need more club participation on the running of this meet- Ruben would like a second starter

Motion to approve 2007 schedule made by Jan Ridout, 2nd Steve Beideck. Motion passed.

The hammer location/date for the state JO will be determined.

Reminder for all who are attending the national convention to get their forms into Mike Bowling.

Banquet: Darwin Gushard handed out forms for All- Nebraska. These are due to him by November 10.
The banquet is January 28.

Records Steve Beideck is waiting on some clarification from nationals on the conversion from hand held to automated timing.

Equipment needs: We need new shot puts. Who has the association shot puts currently?

Cross Country: The schedule is out- there are 4 clubs involved. The next meet is October 14.

Background checks: Nebraska has no background check in place for people working with youth. It was determined that delegates going to the convention would meet with other associations already doing checks and then a committee would be formed.

National JO: John Wissler announced that Nebraska is bidding for the 2008 meet against Des Moines.

There was some discussion regarding the problems at our Regional meet. Jan Ridout voiced her concerns on the way things were handled. Written documentation of the problems that can be given to Frosty was recommended.

Tentative meeting date & time for February 2007 with NEUSATF meeting.

Motion by TammyRa Jackson to adjourn meeting, 2nd Jan Ridout. John Wissler adjourned meeting at 3:20 pm.
