2021 ALL-NEBRASKA TRACK & FIELD TEAM ATHLETE ELIGIBILITY CRITERIA

The 2021 All-Nebraska Track & Field Team recognizes the outstanding individual accomplishments of Nebraska Association athletes during the 2021 USA Track & Field season.

Before an athlete can be nominated for the All-Nebraska Track & Field Team, they *must* first meet the following three eligibility requirements:

- A. The athlete must *not* have already been selected as a Junior Olympic Track & Field Athlete of the Year. Sprinter, Race Walk, and Combined Event Athletes of the Year are eligible, but only for their non-sprint track & field accomplishments and not for their combined event, race walk, or sprint accomplishments.
- B. The 8 & Under, 9-10, 11-12, or 13-14 athlete *must* have participated in at least two (2) USATF-sanctioned non-Junior Olympic association meets (e.g. Jaguars Invitational, Apollo Invitational). The 15-16 or 17-18 athlete *must* have participated in at least one (1) USATF-sanctioned non-JO association meet.
- C. The athlete *must* have achieved at least one (1) of the following during the 2021 USATF season:
 1. Broke or tied an existing Nebraska Association record
 2. National Junior Olympic (Jacksonville) medalist
 3. National Youth Outdoor (Rome) medalist
 4. Regional Junior Olympic (July 8-11 @ Papillion-La Vista South H.S.) champion
 5. Association Junior Olympics (June 16-19 @ Papillion-La Vista South H.S.) champion

Note: Only the athlete's individual event (i.e. track, field, race walk, combined event) performances will be considered for eligibility criteria. Relay event performances will not be considered.

Only USATF-sanctioned Nebraska Association clubs may nominate eligible athletes for the All-Nebraska Track & Field Team. Nominations must be sent to the awards coordinator no later than *Friday, December 10, 2021*. Nominations sent after this date, or nominations not from clubs, will *not* be considered.

Important reminders:

- If an athlete is eligible for the All-Nebraska Track & Field Team but is not nominated, then that athlete will *not* be named to the All-Nebraska Track & Field Team.
- If an athlete is eligible and is nominated, but the nomination is not sent by the December 10, 2021 deadline, then that athlete will *not* be named to the All-Nebraska Track & Field Team.
- If an ineligible athlete is nominated, then that athlete will *not* be named to the All-Nebraska Track & Field Team.
