

## **Webmaster/Records/Communications Committee report**

**Darwin Gushard**

**Sunday, September 18, 2022**

### **Webmaster**

- Send me stuff to post at [nebraskausatf@yahoo.com](mailto:nebraskausatf@yahoo.com) or [communications@nebraska.usatf.org](mailto:communications@nebraska.usatf.org). I can't post what I don't know.

### **Records**

- 2022 meet results are being reviewed for any new youth records. A tentative list is planned to be available by the next Youth committee meeting.

### **Communications**

- Four (4) e-mails were sent this year:
  - September 15 – Committee chair election meetings
  - August 12 – Annual meeting
  - August 10 – Youth Officials Track Clinic
  - January 13, February 13 & 23 – Youth T&F/CC Awards
- 1,010 current USATF Nebraska Association members were e-mailed about the annual meeting on August 12, and only 22 (about 2%) failed because of inactive or incorrect e-mail addresses. I get member e-mail addresses directly from the national database, using the address that people submit with their USATF application. If your e-mail address changes, notify association membership coordinator Wayne Smith so he can update the national database.
